Certified ARISE Interventionist
CAI Certification and AAI Clinical Membership Requirements and Benefits

CERTIFIED ARISE INTERVENTIONIST CERTIFICATION:

Requirements for CAI Certification:

A Certified ARISE Interventionist will:

- Have completed the 3-day Educational Component for ARISE Training
- Have completed two successful ARISE cases with supervision/consultation by a Linking Human Systems, LLC ARISE Trainer
- Maintain Clinical Membership in good standing with AAI
- Apply for, achieve and maintain Board Registration with IAODAPCA's AISCB at the BRI I or II level and send evidence of current registration every two years
- Provide evidence of continuing education by completing a minimum of 12 CEUs every 3 years beginning in 2010 (either through LHS or other industry related conference)
- Make annual payment for CAI certification fee

Benefits of CAI Certification:

A Certified ARISE Interventionist is:

- Eligible for the benefits of Clinical Membership in AAI
- Permitted use of the ARISE logo on marketing materials including website and business cards
- Granted use of CAI designation on credential notations and business cards
- Listed as CAI on Linking Human Systems, LLC website
- Awarded annual certificate suitable for framing

A Certified ARISE Interventionist has:

- Met educational and supervision requirements for membership in AIS and NII (must also meet their additional criteria)
- Met educational and supervision requirements for Board Registered Interventionists through IAODAPCA's AISCB (must also meet their additional criteria)

Annual CAI Certification fee: \$150

* Certification rates vary by economic category of country for international members
